Covid 19:

Due to the **current situation related to the COVID-19 pandemic**, the FIG and the AZE National Federation are constantly in contact and more information will be given closer to the event.

Besides the medical guidelines for the particular event, FIG also requires all the participants to follow the standard precautions.

The FIG requires all participants, judges and officials to take standard precautionary measures, such as frequent hand-washing, wearing masks or face coverings at all times and keeping a physical distance of at least 1.5 metres whenever possible.

The only situation in which the safety distance does not have to be respected is when a coach provides assistance (catch, lead, spotting) during an athlete's performance. This phase must be kept as short as possible and the assisting person is obliged to wear a mask throughout.

Gymnasts do not need to wear a mask or face covering while they are performing at the training venue or on the FOP and keeping a physical distance of at least 1.5 metres whenever possible.

Under the supervision of the FIG, doping control will be organized according to the current WADA Code, WADA International Standards and FIG Anti-Doping Rules.

The doping controls may take place at any time.

As per the applicable FIG Therapeutic Use Exemption (TUE) procedure in effect concerning the participation at FIG Events, any gymnast in need of a TUE is responsible, together with her Federation, to submit her request to the FIG no later than 30 days before the start of this competition.

No TUE request will be accepted nor approved on spot, except for duly justified emergency cases. Should you need further assistance about TUE requests, please contact the FIG at antidoping@fig-gymnastics.org.

25. IMPORTANT REMARKS

- After the Definitive Registrations, no additional gymnasts will be accepted (only withdrawals can be accepted).
- Registrations received after the draw **will not be taken into consideration**. The same action will be taken for not paying the entry fee in time.
