#### **4. PARTICIPATION RIGHT AND ACCREDITATIONS**

---

Please refer to the directives for details on the participation rights and maximum delegation size, supplementary accreditations, payment procedures, and insurance deadlines.

A list including all medical personnel duly approved by the FIG is published on the FIG website. Medical personnel seeking accreditation for these WCH and who are not on this list must send to the FIG Offices (attention Mr. Loïc Vidmer at [lvidmer@fig-gymnastics.org](mailto:lvidmer@fig-gymnastics.org)) a copy of his/her medical certificate/diploma duly translated into English or French. They must also complete as soon as possible but at the very latest at the deadline of the Nominative Registration – Step 1, the “Form to be accredited as Medical Doctor or Paramedical staff at FIG Events”. This Form can be downloaded from the FIG database after creating a profile for Medical Staff, (please refer to the FIG database User instructions available on the FIG administration website). Without this document, the accreditation of the medical personnel will not be released.

##### **Accreditation Principles**

The accreditation identifies individuals in good standing from FIG affiliated federations participating in the event. The accreditation is personal and non-transferable. It indicates and defines individuals' right to access to the different zones as per their functions, as well as to the LOC transport service (if accommodation booked through the LOC only).

All participants and officials are required to wear their accreditation card at all times. The accreditation card is also necessary to pass the security controls.

Accreditation cards will have 3 different colours in order to identify delegations for Individuals from Groups. Blue for Individual, pink for Group and yellow for both Individual and Group (for members such as Head of Delegation, Medical personnel, etc. who are in function for both Individual and Group competitions). The access in the training and warm-up halls will be strictly limited to the gymnasts participating in the specific training or competition (Individual or Group) and according to the training and warm-up schedule, with the appropriate delegation member.

Accreditations for Individual competitions will not be valid for Group competitions and vice versa. Once the individual competitions are finished, Delegation seating only (Zone 6) will be accessible during group competition time exclusively. Accreditations for group delegations will not be distributed prior to the official arrival day for group delegations (18 September 2019).

##### **Any misuse of an accreditation (zone, time, TAC, etc.) shall lead to the immediate withdrawal of the accreditation and a fine of CHF 2'500.- for each case.**

Further steps are possible (e.g. case to be submitted to the Disciplinary Commission).

In case of lost or stolen accreditation cards, the LOC and the FIG must be informed immediately to block the accreditation. They may be replaced at the expense of the card holder (EUR 200).

##### **Transferable access cards (TAC)**

According to FIG Accreditation Rules, coaches will need to present a TAC to access the Competition Area (Field of Play (FoP), Zone 1). Medical personnel and Head of Delegations/Team Manager will need to present a TAC to access the Warm-up Hall (WuH Zone 3).

The TAC is valid only if presented in conjunction with the primary accreditation card. All delegations will be allocated a number of Zone 1 and Zone 3 TACs respecting FIG Accreditation Rules. Additional transferable access cards may be delivered by FIG upon request by the delegation due to competition schedule / conditions.

The TACs are only transferable within the National Federation's official delegation and appropriate function.

##### **Lost or stolen transferable access cards shall not be replaced.**

### **Accreditation Center / LOC Room**

The Accreditation Center will be located at MGA, -2. The opening dates and time will be set once all arrival details have been received.

Upon arrival in Baku, each Head of Delegation will receive an appointment to facilitate and speed up the accreditation procedure. If a delegation decides to complete the accreditation procedure at another time, the LOC will not provide any transportation and will give priority to those countries who arrive at the agreed time.

### **Accreditation Distribution**

Accreditations will be distributed to the Head of Delegation or his/her Representative at the Accreditation Center based on the nominative registrations submitted on the FIG online platform. FIG Accreditation rules will be strictly applied notably as far as the number of accreditations and TACs per Federations is concerned. No additional accreditations may be issued without the prior approval of FIG. Any additional person to the nominative list is considered as a spectator and must buy entry tickets.

Accreditations will not be delivered unless all financial, organizational and insurance obligations have been met.

### **Control and Distribution of the Required Material**

At accreditation the Head of Delegations or his/her Representative will be requested to:

- present to the LOC a valid passport of all Delegation members for proof of identity and control of Nationality. A scan of the passport of the accredited gymnasts will be made and handed out to the FIG
- present to the LOC the gymnasts' valid FIG License for further age control and anti-doping purposes
- check the correct names of their complete Delegation
- confirm the NF contact details onsite (e-mail and mobile phone) for proper delivery of the gymnasts' start lists, judges' lists and results)
- prove of the fulfilment of all financial obligations to the LOC and finalize the necessary payments if needed (i.e. insurance, additional accreditation, etc.)
- show proof of the cover note or photocopy of the valid insurance policy in English
- verify the accommodation and meal requirements including the Farewell Banquet
- verify the return flight schedules
- confirm the accuracy of the Federation National Anthem and National Flag presented by the LOC, and sign the relevant form
- confirm the accuracy of the Music, uploaded on the LOC digital platform
- hand in one back up CD (1 CD per gymnast/group and per apparatus) for safety reasons or in case of technical problems

The LOC will distribute log-in details to the Heads of Delegations to access mobile application where all the information concerning the events will be available.

**Music:** Delegations will also be requested to bring one CD/USB key for training sessions. All CDs/USB keys must be labelled as mentioned in point 1.5.8 of the CoP. The CD/USB key will be returned to the Head of Delegation or his/her Representative at the SID at the conclusion of the competition.

**Photo:** if a photo has to be taken in Baku because none has been uploaded onto the LOC online system or the quality of photo is not appropriate for accreditation, there will be a charge to the federation of 15 EUR per missing photo, payable to the LOC at the time of accreditation.

It is recommended that Delegations take the Workplan, training and competition schedules and starting orders with them, as hard copies will not be distributed on site.

At accreditation the LOC will hand out to the Head of Delegation or his/her Representative:

- the revised pages of the Workplan, starting order and/or schedules, if applicable
- the FIG "Medical and anti-doping practical information"
- the diplomas of participation and souvenirs
- the meal tickets (if applicable), transportation schedules, invoices, delegation package, and invitations
- the Mail Box Authority card
- the information regarding gymnasts' safeguarding plan.

### **Delegation Seating**

The LOC will reserve 312 of seats for the accredited delegation members in sector 114 & 115, level 0 in the Arena. These seats will be available on a "first come, first served" basis. Delegates will be requested not to sit in any other spectator seats within the arena unless permitted to do so by a representative of the LOC.

## **5. INSURANCE**

---

Please refer to the Directives and to the document "[International Assistance Insurance Information](#)" provided by FIG for Gymnasts and Judges published on the FIG online calendar.

The LOC will subsequently offer insurance at the Federations own charge to the Delegation members with insufficient insurance cover at the price of 15 EUR per person / day.

## **6. NOMINATIVE REGISTRATIONS**

---

### **Reminder:**

#### **Nominative Registrations – Step 1**

The nominative registrations must be completed until **19 August 2019** (23h59 Swiss time) at the very latest.

For the qualification competition of Individual/Team:

at the time of the nominative registration, particular attention must be given to the apparatus chosen, as well as to the starting order of the gymnasts. Unit 1 is the first gymnast of her Federation to start at the prescribed apparatus, Unit 2 the second and Unit 3 (Clubs and Ribbon only) being the third gymnast to compete.

#### **Nominative Registrations – Step 2**

Each Federation will have the possibility to modify, if necessary, the apparatus and the starting order submitted at the nominative registration - Step 1 for its Individual gymnasts. For this purpose, the online nominative platform will reopen from 20 August until **28 August 2019** (23h59 Swiss time) to allow the Federations concerned to submit the necessary modifications.

Past this deadline, the online platform will be closed and no further modifications related to the apparatus chosen or to the starting order will be accepted. In the case an adjusted starting order is not received by the deadline of 28 August 2019, the initial Nominative registration submitted by 14 August 2019 will be used.

As per the FIG rules, the fine to be paid to FIG for missing or late nominative registration (after the deadline of **19 August 2019**) is of CHF 1'000.-.

As per FIG Code of Ethics art. 2d), during the conduct of their activities, FIG members are expected to display correct deportment, to declare any conflict of interest between the organization of which he/she is a member and all other organizations with which the FIG has relationships. Any close family relative\* to a competitive gymnast may not judge that gymnast or his/her group at any FIG sanctioned event. If a conflict should or could appear, the president of the FIG is to be informed, so appropriate action can be taken.

\*Note: definition of “close family relative”:

- they are or were married to or live in a registered partnership or co-habit with a gymnast
- they are related to a gymnast by birth or marriage in direct or in collateral line, including the following persons: grandparent, parent, uncle, aunt, brother, sister, child, grandchild, nephew and cousin

### **FIG Gymnasts’ licences**

Please refer to the Directives.

### **Gymnasts’ age limit**

Please refer to the Directives.

## **7. CHANGES TO THE LIST OF NAMES**

---

Please refer to Section 1 Regulation 4.2 of FIG Technical Regulations for details on the provisions related to the changes of the lists of names.

- The 4 Wild Cards based on the results of the Qualifications and allocated to the gymnasts (places nominative)

### Individual Competitions

#### Qualifications with Team ranking

Each team must perform a total of 10 exercises and the classification is made by adding the 8 best scores registered by the gymnasts of the team. The competition programme for 2019 is as follows:

- 2 Hoop exercises
- 2 Ball exercises
- 3 Clubs exercises
- 3 Ribbon exercises

#### All-Around Final

All-Around Finalists will stay in the competition area after their last routine (fourth apparatus) to watch the competition. Dedicated seating will be allocated specially for them.

#### Apparatus Final

The best 8 gymnasts (maximum of 2 per National Federation) of Qualifications, on each of the 4 apparatus of the programme are designated to participate in the Individual Apparatus Finals.

### Group Competitions

#### General Competition - All-Around ranking

Each Group shall present one exercise with 5 Balls and the other one with 3 Hoops and 2 pairs of Clubs.

Each National Federation may enter 5 to 6 gymnasts for the total programme of group exercises (2 exercises and 2 finals). In case of 6 gymnasts, all 6 gymnasts must take part in at least one exercise. Should one gymnast not take part in any exercise, the group is disqualified.

Should the coach let his/her group compete with a different composition will result in the disqualification of his/her group from the respective exercise(s). As a result, the group will not be ranked in the All-Around Ranking List nor in the Ranking List of the routine it was disqualified from. Modifications of the group composition can be accepted on site only with a medical certificate verified by the official FIG doctor.

Federations are kindly requested to send by e-mail to the FIG (attn. [smartinet@fig-gymnastics.org](mailto:smartinet@fig-gymnastics.org)) as soon as possible but by no later than **28 August 2019** the exact contact name, phone number and e-mail address of their Head of Delegation or Representative while in Baku for proper delivery of official documents.

## **22. INQUIRY**

---

As per Art. 8.4 of the TR and the clarifications published in FIG Official Communication on 9 July 2018, inquiries for the difficulty scores are allowed, provided that they are made verbally immediately after the publication of the score or at the very latest before the score of the following individual gymnast or group is shown. For the last individual gymnast/group of a rotation, this limit is one minute after the score is shown on the score board.

The person designated to receive the verbal inquiry (Inquiry Officer) has to note the time of receiving it and this starts the procedure. Only the accredited coaches in the competition area are entitled to submit an inquiry. The expected score must be mentioned on the inquiry form for the inquiry to be accepted. An area close to the Kiss & Cry where the coach of the competing gymnast can see the score of the exercise will be designated. Late verbal inquiries will be rejected.

A National Federation is not allowed to complain against a gymnast from another federation. Inquiries for Execution scores are not allowed.

The inquiry must be confirmed as soon as possible in writing but within 4 minutes at the latest after the verbal inquiry and requires an agreement of payment of USD 300.-- for the first inquiry, USD 500.-- for the second inquiry, USD 1'000.-- for the third and all subsequent inquiries, lodged by the same Federation throughout the World Championships (and not starting from “1” at each competition phase). Should the inquiry not be confirmed in writing within 4 minutes, the procedure becomes obsolete.

**Federations shall not pay cash when submitting an inquiry as cash money is prohibited on the FoP.**

Every inquiry must be examined by the Superior Jury and a final decision which may not be appealed must be taken at the very latest:

- at the end of the rotation for the Qualifications and for the All-Around competitions
- before the score of the following individual gymnast/group is shown for the Apparatus Finals

After review of the inquiry, should the final score be higher, this sum will not be invoiced by FIG to the Federation. However, should the final score remain unchanged or be lower, the sum will be invoiced and transferred to the FIG Foundation.

Since in Rhythmic Gymnastics the D-score is divided into two parts – Body Difficulty (DB - D1-D2) and Apparatus Difficulty (DA - D3-D4), each part is considered as a distinct score and must be challenged separately (either DB and DA or only DB or DA). Thus, if DB and DA of the same routine are challenged, the coach has to submit two inquiries with the respective forms. DB will be considered as first inquiry, DA as second inquiry.

## 23. CEREMONIES

Gymnasts from participating Federations will not take part in the official Opening Ceremony but are kindly invited together with all Delegation members to watch it from the delegation seating.

### **Athletes images for improved Sport Presentation**

FIG has developed a system that allows us to use athletes profile photos for improved sport presentation during our World Championships.

The images will be shown on the scoreboards and video screen in the competition hall, during the TV broadcast and on the FIG website as part of the [athletes' biographies](#).

In order for us to promote your athletes and sponsors in the best possible way, an **official and compulsory athlete photo session** for Individual gymnasts only will be organised during the Podium trainings.

Your athletes are requested to wear their national tracksuit and any visible branding must meet the FIG Advertising Rules.

## **TELEVISION**

---

Live television production of the finals is guaranteed. Competitors are requested to strictly follow the instructions of the Local Organising Committee.

### **Cameras and video recording**

In order to protect television rights, personal video or TV cameras and recording in the competition hall including from the spectators' **and delegation seating** is permitted solely for personal, private, non-commercial and non-promotional purposes, with the exclusion of licensing, broadcasting and/or publishing any such video and/or sound recordings including on social media and the internet. The only exceptions are the host broadcaster, rights holders and IRCOS cameras.

All exercises on each apparatus will be recorded in high definition by digital video cameras (IRCOS). The official FIG IRCOS footage will be available for sale to all FIG member federations.

Photos without flash may be taken from the seats in the competition hall. In the training and warm-up halls, coaches may only take videos of their own gymnasts.

## **31. GYMNASTICS AMBASSADOR**

---

Yana Batyrshina (RUS) has been chosen as Rhythmic Gymnastics Ambassador for the World Championships by the FIG in conjunction with the Local Organising Committee. She will present medals, especially the gold medal to the All-Around winner. She will also be available for photo shoots and autograph sessions, meeting with athletes, interview requests and other activities on site.
